

CODE OF ETHICS  
FOR  
POINT CAPITAL, INC.

SECTION I. STATEMENT OF GENERAL FIDUCIARY  
PRINCIPLES

This Code of Ethics (the "Code") has been adopted by Point Capital, Inc. (the "Corporation") in compliance with Rule 17j-1 under the Investment Company Act of 1940 (the "Act"). The purpose of the Code is to establish standards and procedures for the detection and prevention of activities by which persons having knowledge of the investments and investment intentions of the Corporation may abuse their fiduciary duty to the Corporation, and otherwise to deal with the types of conflict of interest situations to which Rule 17j-1 is addressed.

The Code is based on the principle that the directors, officers and employees of the Corporation who provide services to the Corporation owe a fiduciary duty to the Corporation to conduct their personal securities transactions in a manner that does not interfere with the Corporation's transactions or otherwise take unfair advantage of their relationship with the Corporation. All directors, officers and employees of the Corporation ("Covered Personnel") are expected to adhere to this general principle as well as to comply with all of the specific provisions of this Code that are applicable to them.

Technical compliance with the Code will not automatically insulate any Covered Personnel from scrutiny of transactions that show a pattern of compromise or abuse of the individual's fiduciary duty to the Corporation. Accordingly, all Covered Personnel must seek to avoid any actual or potential conflicts between their personal interests and the interests of the Corporation and its shareholders. In sum, all Covered Personnel shall place the interests of the Corporation before their own personal interests.

All Covered Personnel must read and retain this Code of Ethics.
